

## **This Month's Topic:**

### **Accessing Information by Adopted Persons in Vermont**

*Vermont Bill H.620 (Act 100) has been signed into law, and will affect how adults adopted in Vermont will have access to their original birth certificates and adoption records.*

**Join Christina Shuma, MSW on May 18th from 12-12:30pm**

Christina is the Vermont Adoption Registry Coordinator & Post Adoption Contact Agreement Specialist. The Vermont Adoption Registry serves as the clearinghouse for information about all adoptions that have taken place in Vermont since 1940. Please join Christina to learn more about these changes, and how the adopted persons in our lives will be able to access information once the changes go into affect in July this year.

Let's meet virtually to share ideas with each other in a relaxed setting. Bring your lunch, share your thoughts, and listen to others in similar situations. This session is open to people who were adopted in Vermont, adoptive, guardianship, kinship, & foster caregivers, and the professionals that support them.

**While this series is free pre-registration is required.**
